## Clear'n'Bright

**Clear'n'Bright quickly and easily cleans glass and other hard and shiny surfaces including stainless steel and ceramic tiles. It dissolves grease and grime and leaves a sparkling, crystal clear, non-smear finish.**

## Benefits of using Clear'n'Bright

- Multi-functional - cleans all shiny surfaces
- Leaves a very low non-oily residue - quick and easy to use, does not smear and does not attract mist or dirt
- A little goes a long way - economical in use
- Non-hazardous - very low health hazard
- Uses biodegradable raw materials, does not contain NTA, EDTA or HEDTA - very low environmental impact
- LUL Stores Catalogue Part Number - approved for use by LUL

**Clear'n'Bright leaves a sparkling, crystal clear, non-smear finish on windows and other shiny surfaces.**

**Chela: Innovative Cleaning Solutions and Technical Care**

**Chela Product Code: 304**

## **Application of Clear'n'Bright**

Clear'n'Bright is designed to be used undiluted.

### **All Surfaces**

Spray Clear'n'Bright sparingly over the surface to be cleaned. For best results, use a trigger spray. Polish off product with a clean, dry cotton cloth or a paper towel. (Clear'n'Bright is easily polished off, even if allowed to dry.) If the surface is heavily soiled, two applications maybe necessary.

### **Cautionary Notes**

When washing the cotton cloths, do not use a fabric conditioner as it interferes with the absorbancy of the cloths.

## **Product Endorsements**

- Clear'n'Bright has been approved for use by the London Underground.
