registered organisation

Dicone GP

General purpose solvent/degreaser consisting of a blend of biodegradable oxygenated solvents. Dicone GP has a low odour and is slow to evaporate. It will dissolve oil, grease, printing ink, thermal transfer pigment, wet paint and many uncured adhesives, glues and sealants.

Benefits of Dicone GP

- Effective on many contaminants
- Environmentally considerate
- No hydrocarbon solvent
- No aromatic solvent
- No chlorinated solvent
- No fluorinated solvent
- Slow to evaporate
- Low Odour

Applications

Use neat, no need to dilute. Spray, brush or swab onto the surface to be cleaned, agitate and wipe with a clean cloth to remove dirty solvent. Wash with detergent or clean water if desired.

For small parts it may be easier to soak in a tank of Dicone GP, agitate in the tank or brush using a paint brush.
