Eraze Graffiti Wipes

Wipes are a one stop, ready-to-use, solution for graffiti removal.

They are quick and easy to use - no need to allow dwell times and no need for extra equipment.

Benefits of using Eraze Graffiti Wipes

- Wipes are impregnated with a controlled dose of graffiti remover liquid - no wastage
- Wipes are packaged in a resealable dispensing pack - easy to carry around
- Multi-functional - removes spray paint, marker pen and dye-type graffiti
- Low odour - increased operator comfort
- Non-hazardous - very low health hazard
- Uses biodegradable raw materials, does not contain NTA, EDTA or HEDTA and does not contain aromatic, aliphatic or chlorinated solvents - very low environmental impact
- Passed industry's surface compatibility assessments - suitable for use on most surfaces
- LUL Stores Catalogue Part Number - approved for use by LUL

Chela Ltd is a
BS EN ISO9002:1994
registered organisation

Chela: Innovative Cleaning Solutions and Technical Care

Chela Product Code: 942

Application of Erazе Graffiti Wipes

All Surfaces

Remove a wipe from the sealed container. Wipe over the graffiti, working from the edges towards the centre of the mark, taking care not to cause spreading. Turn the wipe frequently to ensure that the mark is not returned onto the surface. Use further wipes as necessary to ensure the graffiti is fully removed. Wipe off any residue with a clean damp cloth then rinse. For best results, rinse with Guardisan® Fresh.

Cautionary Notes

Always test a small area first to check for surface compatibility.

When using regularly, wear rubber gloves to avoid drying the skin. If not wearing gloves, wash hands after use.

Product Endorsements

- Erazе Graffiti Wipes have been submitted to Scientifics for a Technical Evaluation. The product was found to “have demonstrated its effectiveness in removing different types of graffiti encountered within a railway environment”.
Report Number: LR DON 503
Date: August 1999
- Erazе Graffiti Wipes have been submitted to Graham Tomlinson of GTECH Strategies Limited for an independent assessment. The product was found to “offer some considerable advantages, in terms of reduced health hazards and levels of efficacy, over standard liquid and gel type products for the removal of graffiti from the exterior and interior of trains”.
Report Number: CM/003
Date: 30/07/99
- Erazе Graffiti Wipes are impregnated with Erazе Liquid, a graffiti removal liquid that is approved for use by the London Underground. (LUL Stores Catalogue Part Number: 17418-166)
