Eurowash 1000 Plus

Eurowash 1000 Plus is a high performance concentrated train cleaner designed specifically for use through foam arch equipment. Eurowash 1000 Plus utilises a synergistic blend of surfactants to give a high quality foam that clings to the train surface giving extended dwell time.

Eurowash 1000 Plus will remove general grime, tunnel dirt, oil, scale and metallic pollution without damaging the paintwork. It uses an antistatic agent which leaves the vehicle with a bright sheen which resists soiling and makes subsequent cleaning easier.

Benefits of using Eurowash 1000 Plus

- High quality cleaning foam
- Caustic free - will not damage paint work
- Contains antistatic - gloss shine and makes subsequent cleaning easier
- Environmentally considerate
- Concentrated - high performance at high dilution
- Free rinsing - no unsightly hard water stains
- Prevents by brushes
- Foam minimises use of chemical

Application of Eurowash 1000 Plus

Foam Arch

Set dilution on equipment to provide 2% solution.

In each case, rinse with clean cold water.

Brush wash

Use through brush wash at 0.5 % (1:200).

Pressure Washer

Set pressure washer to 0.5 %.
