registered organisation

Gel Excel

Gel Excel is a gelled hand cleaner. It uses a non-hydrocarbon solvent which does not dry hands, making it a powerful yet gentle hand cleaner.

It is excellent at removing oil, grease and general dirt, the natural ground olive stones help remove even the most ingrained dirt.

Benefits of using Gel Excel

- Ease of use: free and easy rinsing - leaves no residue on hands or wash basin.
- Pleasant to use: leaves a lemon perfume and does not dry hands - lanolin helps keep them moist and supple.

Safety & Environment

- Non-hazardous under current EU legislation.
- Highly responsible with regard to the environment.
- Uses a non-hydrocarbon solvent.
- Does not contain NTA, EDTA or HEDTA.

Application of Gel Excel

Apply a small amount of Gel Excel to dry hands and massage in, make sure all areas of the hand are covered. Rinse off with either warm or cold water. Dry hands in usual manner.

Product Endorsements

- Gel Excel has been signed off under the Cosmetics Products (Safety) Regulations 1996.
