

Guardisan® DF9

Powerful general cleaner and degreaser that is particularly effective on masonry surfaces of all types. Quick acting, Guardisan® DF9 will remove stubborn ingrained dirt and grease and stains caused by rubber tyres and shoes. As well as masonry, Guardisan® DF9 will clean rubber and PVC floors, paint and plastic surfaces.

Excellent when used on plastic furniture designed for outside use.

Benefits

- Cleans limestone, sandstone, marble, concrete, cement tiles, pavers, granite and terrazzo.
- Performs well cleaning asphalt.
- Removes tenacious from soft and hard plastic.
- Removes ingrained soil from paint.
